"THE CHAIR TOWN"

PREFACE

LOCATION

Thomasville, in Davidson County, is located in the center of the Piedmont, North Carolina's industrial section situated between the mountains and the coastal area. Midway between Washington and Atlanta, Thomasville is served by both the Southern Railway's main line and the locally owned, short-line High Point, Thomasville and Denton Railroad, connecting with the Atlantic Coast Line and Norfolk and Western Railroads. Thomasville is the junction between United States Highway Nos. 29 and 70 and State Highways Nos. 109 and 62, with local and interstate bus service. Eighteen miles away is the Greensboro-High Point airport, and within 20 miles is the Smith Reynolds airport in Winston-Salem, both serviced by the Eastern, Capital and Piedmont Air Lines.

POPULATION

According to the United States Census Bureau, the population of Thomasville in 1860 was 308. By 1900 it had grown to only 750. At the turn of the century the rapid growth and progress of Thomasville began with the advent of the furniture manufacturing industry. By 1910 the population was 3,877. New enterprises, particularly in the textile field were added, so that by 1920 the city had grown to 5,676; by 1940 to 11,041, by 1950 to 11,154 and by 1960 to 15,190. Many small enterprises have been started in the past ten years.

Ten percent of the city's population is Negro.

Within a radius of 50 miles more than one million people reside.

CLIMATE

Mean annual temperature is 61 degrees. Seasonal averages are Winter 42 degrees; Spring 57 degrees; Summer 76 degrees, and Fall 56 degrees. Average annual rainfall is 47.56 inches. Altitude is 857 feet above sea level.

GOVERNMENT

Thomasville is governed on the council-manager plan. The council is composed of a mayor and five councilmen. The city adopted the council-manager plan in 1915, the third city in North Carolina to employ a city manager. Government offices are centralized in a three story structure completed in 1938.

POLICE, FIRE PROTECTION

The Police Department is manned by 29 officers, who use four radio-equipped patrol cars and one motorcycle. In the Fire department are 17 full-time employees and 13 volunteers, equipped with four fire trucks. Two fire stations are strategically located.

STREETS

There is a total of 63 miles of streets, 51 miles paved, most of which has curb and gutter.

WATER, SEWERAGE, GARBAGE DISPOSAL

There are 45 miles of sewerage and two sewage disposal plants, a 3,000,000 gallon maximum flow per day water plant and three water tanks with a capacity of 2,500,000 gallons. The water facilities are capable of serving a population of 20,000. The land-fill method of garbage disposal is in use. Water facilities are being enlarged.

POWER

Duke Power Company, with hydro and steam plants distributed over North Carolina and South Carolina, furnishes electric power at rates well below the national average and is still expanding its facilities. The average residential consumption of electricity in Thomasville is over 500 K.W.H. above 1950 average through the country.

SCHOOLS

The city schools, with seven modern buildings and total enrollment of 3,900 students, are accredited by the Southern Association of Colleges and Secondary Schools, and the North Carolina State Department of Public Instruction. There are two high schools with teachers and principals, and 654 pupils, one junior high school with 29 teachers and principal and 857 pupils; five elementary schools with 80 teachers and principal and 2,374 pupils.

RECREATION

The city operates, maintains, and supervises seven parks for white and three for negroes. City Memorial White Park covers 38 acres and is dedicated to "all men who served their country in time of war." This park consists of a modern swimming pool and bath house which is also used for a recreation center during the winter, four paved horseshoe pits, basketball court, amphitheater, picnic area with three shelters for group and individual use, a lighted stadium for football, baseball, and softball, with a field house and a play ground area well equipped.

Doak park which is also for the white citizens covers eight acres. This park consists of a junior baseball and softball field, two clay tennis courts, a paved all purpose area, an area equipped with swings, seesaws, slide, jungle gym, merry-go-round, and other play apparatus and a small recreation building.

(Continued on page 10)

PREFACE (Cont.)

(Continued from page 9)

City Memorial Negro Park covers 30 acres of which 10 acres have been developed. This park consists of a modern swimming pool and bath house, a dance area, picnic area with shelter for group and individual use, a tennis court and a well equipped play ground.

All of the above facilities and other smaller parks are maintained and supervised by a full time city Recreation Department. During the summer the recreation department operates an eight weeks playground program with baseball for junior and intermediate boys and a men's baseball league, three church softball leagues, crafts instruction, continuous swimming instruction, and a general playground program.

Other recreational facilities include a lighted baseball park where 12 Little League teams, American Legion baseball is enjoyed, one theater, two golf courses, and only a few miles away is the Thomasville-Lexington Reservoir Recreation Area where boating, skiing, picnicking and fishing can be enjoyed. This consists of 1,250 acres with 800 acres under water. High Rock Lake is only 30 miles away where more boating, skiing and fishing can be enjoyed.

The City Memorial Hospital, a community enterprise, was built in 1929 and was enlarged in 1952. This hospital owned and operated by the community under the control of a board of trustees has eighty beds and 20 bassinets, total number of employees 126, including thirty-nine registered nurses, two nurse anesthetists, three medical technicians and two X-ray technicians. The medical staff includes eleven active members and three associate members.

LIBRARY

The Thomasville Public Library is a branch of the Davidson County Library system and is housed in a wing of the City Hall. Daily hours, Tuesday through Saturday: 9:00 - 5:30. Monday 1:00 to 9:00.

The Thomasville library has a book stock of 17,693 volumes and includes books for both adults and juveniles. 6,767 people in the Thomasville area are registered members of the library and make use of its services. The average monthly circulation is well over 8,000 volumes. On the staff of the library is the librarian and two full-time assistants, and one part time assistant.

A reading program is conducted each summer for the boys and girls under the supervision of staff members with the local Junior Chamber of Commerce serving as its sponsor.

The Brown Street Library for the Negro population is also a part of the county system and is housed in a separate building on Brown Street. This library also has a planned program for the boys and girls and adult discussion groups. Brown Street Library is open for a half day schedule five days per week, Monday through Friday.

Other organizations are the American Association of University Women, American Red Cross, Boy and Girl Scouts, Garden Clubs, Merchants' Associations, Ministerial Association, Parent-Teacher Associations, Woman's Club, and Junior Woman's Club.

Many of the civic and social activities are centered in the Woman's Club Building, a large community building erected in 1938.

INDUSTRY

Industrially, Thomasville is unusually well-balanced and diversified. In the field of manufacturing, furniture and hosiery predominate. There are also makers of cotton yarn, wooden boxes, underwear, shirts, sweaters, plastics, concrete and cinder blocks, mirrors, mattresses, resins and synthetic glues.

Twenty-five furniture companies are located in Thomasville. Here you will find manufactured a complete line of household furniture, veneers and panes and carvings. There are fourteen hosiery and hosiery finishing companies, two large textile mills. Also two underwear industries, sweater manufacturer, shirt company, four chemical plants, and three plastic industries.

AGRICULTURE

Just as the industry of Thomasville is exceptionally well balanced, so Davidson County is one of the nation's best balanced counties between industry and agriculture, urban and rural population.

Davidson County ranks at the top in diversification of agricultural products. Its farmers grow tobacco, corn, wheat, oats, sweet potatoes, alfalfa, and clovers. Truck farming and raising of beef cattle, hogs and poultry are important. Dairying has become a large scale operation.

This Publication is The Product of a Member of

—thus assuring you the ultimate service that skill and care can produce in the way of City Directories or other reference media and providing protection against fraudulent advertising schemes which operate under the name of Directories.

The following "Standards of Practice," adopted at the inception of the Association of North American Directory Publishers in 1898, and strictly adhered to over the years, is your guarantee of satisfactory Directory Service.

The publisher of a Directory should dedicate his best efforts to the cause of business uplift and social service, and to this end pledges himself:

1. To consider first, the interest of the user of the book.
2. To subscribe to and work for truth, honesty and accuracy in all departments.
3. To avoid confusing duplication of listings, endeavoring to classify every concern under the one heading that best describes it, and to treat additional listings as advertising, to be charged for at regular rates.
4. To increase public knowledge of what Directories contain; to study public needs and make Directories to supply them; to revise and standardize methods and classifications, so that what is wanted may be most easily found, and the Directory be made to serve its fullest use as a business and social reference book and directory of buyer and seller.
5. To decline any advertisement which has a tendency to mislead or which does not conform to business integrity.
6. To solicit subscriptions and advertising solely upon the merits of the publications.
7. To avoid misrepresentation by statement or inference regarding circulation, placing the test of reference publicity upon its accessibility to seekers, rather than on the number of copies sold.
8. To co-operate with approved organizations and individuals engaged in creative advertising work.
9. To avoid unfair competition.
10. To determine what is the highest and largest function of Directories in public service, and then to strive in every legitimate way to promote that function.

$100 Reward will be paid by the Association of North American Directory Publishers for the arrest and conviction of any person or persons engaged in the publishing, collecting or canvassing for any fraudulent or fake directories.

"Nothing but Service to Sell"

HIGH POINT —

furniture and hosiery center of the South.

THOMASVILLE —

furniture, hosiery, miscellaneous manufacturing.

DENTON —

a small and growing town having a strong appeal for industries seeking rural locale.

The Best Things Come In Small Packages!

Through our connections the HPT&D Railroad gives this industrial part of North Carolina competitive trunk line advantages. Concentrated into a small area as an efficient "Short Line" and transporting freight only, HPT&D serves helpfully and courteously.

HPT&D offers regular schedules to all parts of the United States through the Winston-Salem Southbound, Norfolk and Western, Atlantic Coast Line, and Norfolk Southern railroads and their many connections.

Many industries are located along our tracks. Much new development is underway.

For detailed information as to industrial sites, track location, rates, routings, schedules, etc., write or call:
